NARRATIVE

On December 11, 2015 at approximately 1453 hours I, Officer Jordan Duran of the New Mexico State Police, in full uniform, displaying my badge of office #341 and in fully marked patrol unit was dispatched to a harassment call which occurred at the Mesa Vista Elementary School in the town of Ojo Caliente, county of Rio Arriba, state of New Mexico. I spoke with the reporting party who identified herself as Rosella Varela.

Rosella said her 12 year old son Derek was riding the school bus on December 10, 2015 in the evening after school. She said a woman named Denise Gallegos stopped the bus and boarded the school bus. Rosella said Denise told the bus driver "you need to write up Derek" then got off the bus.

I obtained a written statement from the bus driver Frank. He said Denise boarded the bus and said "I want you to write up Derek". Then Derek said "you little whore". Frank said Denise said "you better write that little fucker up". Frank stated in his written statement Derek was cussing throughout the incident.

Rosella said she and Denise have prior history with each other. Rosella said Denise has a restraining order against her because ?she beat her up?.

I have been attempting to locate Denise but have been unable. I have also been unable to make contact with Frank to this point. When further information becomes available I will document it in a supplemental report. This conversation was recorded by digital recorder.

This case is active.

SYNOPSIS This report documents Mesa Visa Schools Principle Victoria Garcia's interaction with student Cruz Lopez-Baca. Please see the report narrative for further details.								
NARRATIVE On Wednesday, December 16, 2015, at approximately 13:55pm, I, Officer Dezjuan Shields of the New Mexico State Police, was on duty, in full uniform, displaying badge #327. I was on day shift patrol when I was dispatched to Mesa Vista Elementary School in reference to a fifth grade student acting disorderly with the school principal. Upon arriving at the Mesa Vista Elementary School, I met with Principal Victoria Garcia. Victoria told me, she wanted a police report to document an incident involving a fifth grade student named Cruz Lopez-Baca refusing to work on his assignments and remove his hat on campus. Victoria told me, after asking Cruz to remove his hat, he became confrontational and told her "Shut the hell up," "You don't tell me what the fuck to do," "You aren't my fucking mother." Victoria said, after Cruz made the above statements he ran out of the building. Victoria said, she immediately called Cruz's mother to inform her Cruz was going to be suspended from school. Cruz was picked up from school by his older sister. Victoria completed a written statement, which is attached with this report. Victoria told me, she wanted to document the above incident for future reference. Victoria was provided with a State Police business card with this reports case number. If any additional information pertaining to this case becomes available, it will be attached in a supplemental report. This case is closed.

NARRATIVE

On December 23rd, 2015, at approximately 1304 hours, I Officer Richard Castillo, of the New Mexico State Police, while on duty, in full uniform, clearly displaying my badge of office, #378, in a marked patrol unit. I was advised by the New Mexico State Police dispatch of a male superintendent of the Mesa Vista High School that wanted to report his school marquee board had been damaged over the Christmas break. The male told dispatch he would meet me at the high school entrance so I could to see the damage done to the board. The Mesa Vista High School was located on State Road 111, in the town of Ojo Caliente, County of Rio Arriba, State of New Mexico.

I arrived at the entrance of the Mesa Vista High School and spoke with the male, who later identified himself as Ernest Valdez. Mr. Valdez advised me he was the superintendent of the Mesa Vista High School.

The following is Mr. Valdez's statement:

Mr. Valdez told me that it was currently winter break, and the gates to the school were locked. Mr. Valdez said about every three days he would go and check if everything was okay at the school, (damages, vandalism etc). Mr. Valdez said at about 8:00 AM this morning, he went to go do his inspection around the school. Mr. Valdez said as he approached the main gates of the school, he saw the school Marquee board had been shot. Mr. Valdez said he checked the rest of the school to see if anything else around the school was damaged, and Mr. Valdez said everything but the marquee board was okay. Mr. Valdez said as soon as he was done checking the rest of the school, he immediately called the New Mexico State Police. Mr. Valdez said the total damage to the board was worth about \$1200.

This concludes Mr. Valdez's statement.

I asked Mr. Valdez if he any cameras around the school property or anyway to see who could have done caused the damage. Mr. Valdez advised me that no cameras were around the marquee board in the front. Mr. Valdez also told me he had no idea who could have done this.

I told Mr. Valdez a report would be filed on this case and gave him a case number. Photographs were taken of the board and will be added to this report.

If any new information is discovered, it will be added on a supplemental report.

This case is closed.

NARRATIVE

I met with Carime Alire who wanted to report an incident that had taken place earlier that day at the El Rito Elementary School. Carime stated her daughter Katie Alire was sitting in her classroom when her teacher left the room to get a drink of water. Katie told Carime that a classmate of hers by the name of Santiago Archuleta came up behind her and put a string around her neck. Katie stated Santiago choked her with the string. The teacher who was identified as Denise Archuleta came back to the classroom. Katie told Denise what happened. Carime told me Santiago was suspended for five days. Carime provided a picture of Katie's neck that was taken right after the incident. Katie's neck had a red mark on it. Carime was concerned the school did not do enough and did not take the incident seriously. Carime is concerned that Santiago's behavior will continue and or worsen if it is not dealt with properly. I told Carime I would go to the school the next day and speak with the Principal to obtain everyone's information.

On January 8, 2016 at approximately 1500 hours I went to the El Rito Elementary to speak with the Principal. The Principal's name was Monique Garcia. I asked Monique for Denise's phone number and for Santiago's parents phone number as well. Monique also showed me the string that was used during this incident. I did take a photograph of the string. I thanked Monique for all of her help and left the school.

At approximately 2005 hours I called Santiago's father who was identified as Adam Archuleta. I explained to Adam I needed to speak with Santiago to get his side of the story. Adam was very defensive and stated he would not bring his son into the State Police Office to speak with me. Adam stated what happened was not a big deal and I did not need to be investigating his son. Adam asked me how long I had been a State Police Officer. Adam stated he has done my job for 11 years and that there was no reason to take this incident so seriously. I asked Adam if he was unwilling to cooperate with the investigation. Adam stated he would put me on speaker phone and I could speak with Santiago. I asked Santiago to tell me what happened at school. Santiago stated he was playing with his friends in class. Santiago said he had a piece of string and was tickling Katie's neck with it. I asked Santiago if he was trying to hurt Katie. Santiago stated he was just playing with Katie. I asked Adam if he wanted a case number for the report. Adam stated no. I ended the phone conversation with Adam.

On January 12, 2016 at approximately 1916 hours I spoke with Katie over the telephone. Katie stated her teacher left the classroom to get a drink of water. Katie said she was working at her desk when Santiago put the rope around her neck and pulled it. Katie told me she felt like she was going to pass out when Santiago pulled the rope on her neck. Katie stated Santiago also choked two other students in the classroom. Katie said Santiago choked Kieshan and Joshua. Katie said Santiago choked Keishan first, than Joshua and herself last. I asked Katie if she and Santiago were playing around. Katie stated no. Katie stated she did not want to be choked. I thanked Katie for her time and at that time the phone conversation ended.

On January 13, 2016 at approximately 1645 hours I spoke with Denise Archuleta over the phone. I asked Denise to tell me what happened that day between Santiago and Katie. Denise stated she had stepped out of the classroom to get a drink of water. When she came back in Santiago was sitting at his desk. Katie came up to her and told her that Santiago had put a string around her neck. Denise told me the string had come off of Santiago's backpack. Denise noticed a red mark around Katie's neck. At this time she escorted Katie and Santiago to the Principal's office. Denise stated there were other students that came up to her and said Santiago had done the same thing to them as well. Denise did not see any marks on any of the other children's necks. Denise could see the

red mark on Katie's neck. Denise stated Katie told her Santiago put the string around her neck and moved it back and forth. Denise believes it was the friction from the string that caused the mark around Katie's neck. Denise said prior to this incident there had not been any problems between Santiago and Katie. Denise stated this was the first time Katie has come up to her with issues regarding Santiago. I thanked Denise for her time and the phone conversation was over.

I then proceeded to call the Children Youth and Family Department (C.Y.F.D.) to initiate a Statewide Central Intake report.

This case is closed; if any other information becomes available pertaining to this case I will submit through a supplemental report.

SYNOPSIS

THIS REPORT IS TO DOCUMENT MY INVOLVEMENT IN THE INVESTIGATION OF A BATTERY.
PLEASE REFER TO THE NARRATIVE BELOW FOR FULL DETAILS.

NARRATIVE

On January 26, 2016, at approximately 1704 hours, I Officer Justin Romero of the New Mexico State Police Uniform was in full uniform and fully marked unit. I arrived to the New Mexico State Police office to meet with Tawna Snider. In reference to a battery.

I arrived at the New Mexico State Police office and made contact with Tawna Snider the reporting party. Tawna stated her son Javier Thomas who is 14 years old was involved in a fight at his school. Her son Javier attends the Mesa Vista High School, this is where the incident took place. Javier was being teased by two older boys one named Robert Sandoval and the other Antonio Perea. The two older boys were teasing and making jokes towards Javier and implying that they were going to pull down Javier's pants. Antonio approached Javier with the intent to pull down Javier's pants. The moment Antonio was about to grab Javier's pants, Javier turned around and with a closed fist punched Antonio in the face. Antonio retaliated with punches of his own ultimately breaking Javier's nose. The school's principle reprimanded the boys and made them shake hands and promise to refrain from this behavior going forward, according to Javier and his mother Tawna. Tawna and Javier came to report this to State Police, I informed Tawna due to this being an altercation between two juveniles we would not be able to press charges against Antonio. If she wanted to pursue charges, we informed her this incident would need to be forwarded to the JPO office.

This incident, was recorded on my digital audio recorder.

STATUS: This Case is closed.
